I'll verify the audio-recording part and respond.

Subject: Arkwood 4th Five-Year Review - Status Update

Hello Stephen,

Mr. Curt Grisham called today and requested to be present for the interview with his father at 10:00 am on Wednesday 10/14/2015. I told him that would be fine and that I would let you know.

He requested an electronic file of the interview question form in order to fill out using his computer. I told him I would e-mail him that as well as the scanned letter we put in the mail this Wednesday 8/19.

He also asked if it would be alright to make an audio-recording of the interview. I told him I would have to check first and let him know.

Thanks,
